DETAILED ACTION

• Applicant's RCE filed 7/12/2006 is acknowledged.

Allowable Subject Matter

- 1. Claims 1-6 are allowed.
- 2. Independent claims 1 and 6 are allowed because the prior record fails to teach or fairly suggest a method or system that includes receiving information from each of a plurality of repeaters indicating which of a plurality of packets wirelessly transmitted by a mobile station were received by each repeater and a signal strength at which each of the wirelessly transmitted packets was received; identifying an individual one of the plurality of wirelessly transmitted packets that was received by each of the plurality of repeaters; and determining a location of the mobile station with respect to the plurality of repeaters based on comparing one to the other the signal strength at which the individual packet was received at each of the plurality of repeaters.
- 3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian Roberts whose telephone number is (571) 272-3095. The examiner can normally be reached on M-F 10:00-7:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hassan Kizou can be reached on (571) 272-3088. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
